SWNPHD Clinic Scheduled for August 16th in McCook

McCook – Have you checked your child’s shot records lately? This is a perfect opportunity for you to bring your Kindergarten, 7th grade and college students for their required school immunizations or to get students caught up on their shots.

Southwest Nebraska Public Health Department will be offering the Vaccines for Children program at their office, 404 West 10th – one block north of Arby’s 8:30-12:30 & 1-4 p.m. on Wednesday, August 16th. The next clinic is scheduled for September 20th. Please schedule an appointment by calling 308-345-4223. Walk-ins are welcome.

“We look forward to working with parents to make sure students have their required shots for school,” states Melissa Propp, Public Health Nurse and VFC Clinic coordinator for SWNPHD. A parent or guardian is required to attend the clinic with their child. If a parent is unable to attend, please contact SWNPHD for a proxy permission form.

SWNPHD was included in the Nebraska Immunization Program Title 317 funding that expands the available adult vaccines given for free. We can provide vaccines for adults (19 years & older) who are un-insured, underinsured (health insurance does not provide coverage for preventive shots) or do not have supplemental insurance with Medicare A or B. Shots covered include: flu (influenza), Tdap (tetanus, diphtheria, whooping cough), Hepatitis B and MMR (measles, mumps, rubella).

“Vaccines for Children” is a program that provides immunizations to eligible children, 18 years old and younger. Eligibility is defined as those who are Medicaid eligible, uninsured, underinsured (health insurance does not provide coverage for childhood immunizations), and/or American Indian or Alaska Natives.

“If parents are planning to be in McCook, they can schedule their student shots during office hours of Monday-Friday, 8:30-4:00 p.m.,” explains Propp. SWNPHD is located at 404 West 10th Street, one block north of Arby’s. We welcome those going on mission trips or travelling abroad for their recommended shots. SWNPHD also performs blood draws at their McCook office. Health screenings are available at both the McCook and Imperial office.

Please call to schedule an appointment at 308-345-4223 for McCook. For a listing of available tests and insurances that we accept go to www.swhealth.ne.gov.

Immunizations are one of the most effective and cost efficient ways to prevent disease. For every dollar spent on immunizations, it saves as much as \$29.00 in direct and indirect health costs. More information on immunizations is available on the website.
